Dear [Donor\_Name],

Brittany, Ryan, and Sarah began as roommates, but they've become so much more. They feel more like sisters, and their home radiates with the warmth and love of family.

Like most young women, these three stay busy. Brittany has a job at the VA laundry and square dances every Thursday. Sarah works at Dairy Queen. All three learn and socialize at Pillar's Community Engagement Centers.

Brittany, Ryan, and Sarah probably sound a lot like young adults you've known in your life – because they are, thanks to help from Pillar, the love of their families, and caring community members like you.

Pillar is central to the meaningful lives these young women lead: we manage their beautiful home in Crestwood, helped Sarah secure her job and support her there, and provide

engagement centers where they can build skills and connections.

**Pillar couldn't do this work without generous supporters like you.** This fall, as we settle in to our own comforting routines and traditions with family and friends, we need your help. Please **donate today** to help us continue to meet the needs of more than 300 adults and children with intellectual and developmental disabilities in our Louisville community.

Thank you,

Leah Campbell, Executive Director
